

## ON THINGS ABOVE

## DON'T FOLLOW YOUR HEART, FOLLOW JESUS

### Getting to know each other:

Have you used ChatGPT yet? If so, what did you do with it?

What did you think about ChatGPT? Does it scare you? Does it excite you? Why?

### Read Colossians 3:1-3

1. What does the scripture mean when it says "Set your heart on things above"?
2. Pastor David talked at length about how "set your heart" is not an American cultural value, "follow your heart" is our value.

Where do you see this value in our culture?

Are there times in life when it is okay to follow your heart? If so, what are they? How do you know it's okay to follow your heart?

3. What are some ways in which you've been led astray by your heart?
4. Pastor David made the point that we CAN set our hearts. What do you think, is it possible to change your feelings or desires?

If we still have strong, repetitive desires, is it 'fair' of God to ask us to reset those feelings?

5. Was there anything else that really stuck with you from the message or made you think?
6. Do you see anything in your thinking or behavior that needs to change based on Colossians 3:1-3?
